Subject: RICHARD REVIEW: Transparency Rule and PFAS
Attachments: 2018-07-13 Draft McNerney Tonko Pallone PFAS-Science rulemaking Response - OW Reviewed 7-16-18_BRredits.docx

Hi Richard,

For your review, I have dropped on your chair a folder with ORDs edits to a draft response for a letter from Congressmen Tonko, Pallone, and McNerney regarding sci transparency and PFAS.

OCIR drafted the response to the Congressmen's letter, OW reviewed and provided edits (in the document) and Andy Gillespie and Bruce also reviewed/edited. The folder on your chair contains the original letter and the red-line strike-out and clean versions of the response letter.

Sam originally requested that we provide input by last week, so we're running a bit behind on this one.

Can you please let me know if you'd like to see any additional edits to the response?

Thank you,
Megan
